

Vista Del Lago *Newsletter #36*

August has been a very nice month, with several days of sun and nice temperatures. The lake has warmed up to a swimmable temperature for the more heartier folks and the pool has seen quite a bit of use as well. The Social Committee has kept everyone well fed and they still have a few more tricks up their sleeves!

First, a few reminders from the Board.....

- Minor children, even when accompanied by an owner, are not allowed to use the clubhouse facilities, which include playing billiards.
- Any and all modifications of any sort done to an owners' property needs to be approved by the Architecture Committee.
- Dennis spent a fair amount of time hosing off the pool deck last week because someone threw several handfuls of rocks onto the deck and into the pool. Jim Dixon was a good sport and actually dove to the bottom of the pool to retrieve several rocks which would have eventually made their way into the filtration system if they hadn't been scooped out. A fair guess is that someone's guest children are responsible for this, thus the need for all children to be accompanied while off the owner's property.
- Please do not park your vehicle or allow your guests to park their vehicles on other people's lots, even the undeveloped lots, unless you have received permission from the owner to do so. If you have received permission, it would be a good practice to notify a Board member that you have permission, or better yet,

have the owner notify (via email) a Board member that they have granted permission.

- The little **green turtles** are a great reminder that the speed limit is **10 MPH**. Please be sure you are adhering to the speed limit at all times, especially when traveling downhill on the back stretch.
- Boats are only allowed to be parked for maintenance purposes for 24 hours.
- Children must be escorted by an adult when they are off an owner's property. Kids are not allowed to ride their bicycles, skateboard, roller skate, etc around the park unless they are accompanied by an adult.
- If you would like to correspond with a board member via email, please address your email to: vdboard@hotmail.com. Each board member will receive the message and it won't clog up personal/work email inboxes.

Got technical skills?????

We have an opening for a web master to manage the VDL website. With just a little technical ability, you can post newsletters, photos, documents, etc on the VDL website. If you are interested in volunteering for this important position, please notify a board member.

Got an extra garbage can to donate??

The garbage can in the laundry room is a little on the small side, thus gets filled up quickly, even when laundry-only related garbage is placed in it. If you have a larger garbage can that you would be willing to donate to the laundry room, it would be much appreciated! If not, perhaps the Board would be willing to purchase one. And, as a

reminder, please only place laundry-facility related garbage in the can. Do not fill it with food items or anything else that would fill it up quickly or stink up the room!

Pinky-Nails review.....

Are you in need of a manicure or pedicure and don't want to pay the Campbell's Resort rates? Pinky-Nails, located in downtown Chelan may be the answer for you. Cindy Sneesby and I tried them out two weeks ago. We walked in without appointments and were serviced almost immediately. Pinky-Nails has five pedicure massage chairs and two nail stations. They are looking at adding additional chairs and an additional nail station for their busier times. A pedicure costs \$24 and you get a little calf massage as well. I found the staff to be friendly and the salon clean. It is in a handy location, with plenty of parking. Pinky-Nails is located at 113B N. Sanders, Chelan and their phone number is 509-682-0502. They are open Monday-Friday until 7pm and Saturday from 9am-5pm.

Duane presents the Social Committee Events.....

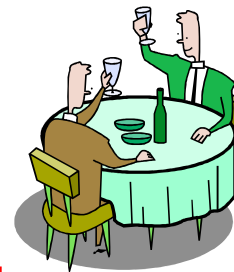

The social Committee has a nice variety of events planned for the rest of the year. On Saturday August 28th we invite all of you who are here that weekend to bring your favorite **dessert** for a **Dessert Social**. We will twist Bob's arm so we will have soft serve ice cream to go along with all the **wonderful** desserts. The time will be 7:00 p.m.

September starts out with a **BBQ salmon** potluck on Thursday September 2nd @ 6:30 pm. The Pedersen's are providing the **salmon** that Ronald caught in **Alaska** for all of us. What a special treat. The rest of us can help by bringing side dishes. A sign-up sheet will be posted in the clubhouse for the side dishes needed.

There will be a **Blueberry Pancake Breakfast** on Saturday September 4th from 8:00 am till 9:30 am. This is Labor Day weekend so we are geared up for a large crowd so feel free to bring those who are staying with you that weekend. \$3.00 to cover costs.

On Saturday September 18th we are having a special **Italian Spaghetti Dinner**. This will include Spaghetti and Meatballs; **hot** garlic bread; **fresh green salad** and **brownies** for dessert. If you have a favorite beverage bring it along. There is a **\$4.00** fee to cover costs.

Hope to see you all there!

Speaking of food, a restaurant review.....

A group of us went to Tin Lilly's in downtown Chelan (on Woodin Ave, just across from the pool store). The place starts to fill up at 6:00pm and is generally full by 6:30 on Saturdays, so if you have a large party, plan on arriving for an early dinner about 5:45, because no reservations are accepted.

We found the menu to be expansive, with many choices from burgers, to ribs, salads, pasta, fish and a large assortment of appetizers. They have a great happy hour and fun bar area, with several large screen televisions, playing a variety of sporting events.

They have inside and outside seating and we found the back patio to be quite comfortable. Their prices are very reasonable, with burgers in the \$8.50 range, a full rack of ribs \$24, and salads from \$4-\$14. You get plenty of food and I can vouch for the chocolate cake, even though Anna only let me have 2 bites of hers!

That's about it for now. I hope you all have a nice and peaceful Labor Day weekend.

-Leslie
